

Prayer

O most Holy Trinity, Father, Son and Holy Spirit
that in the heart of your servant **sister Maria Plautilla**
you lit the flame of your love.

We adore you and we thank you for giving us in her
a shining example of holiness and joyful sacrifice.

Grant us to burn like her, *living lamp*, of love to God and neighbor
to console the afflicted, heal the wounded and evangelize the poor.

Encouraged by her example and her intercession, we humbly beseech you
to glorify also on earth your faithful servant,
giving us the grace we humbly ask...

Glory...
