XIIth GENERAL PSMC CHAPTER - ACKNOWLEDGEMENTS

Dear sisters and brothers,

We have just concluded the XIIth General Chapter that outlined the lines of action for the next future of the Institute and elected the sisters, called to the government service for the six-year term 2017-2023.

On behalf of the Superior General Mother M. Mabel Spagnuolo and the new Councillors, we would like to thank you for the many messages we have been receiving throughout the whole Chapter through e-mail, Whatsapp, video and by phone. Thank you for taking part "closely" by sharing our releases, information, videos, and photos published on social networks, thank you in a particular and special way for the prayers with which you have supported us.

A very deep thank you to the sisters of all PSMC communities around the world, to the Sons of the Divine Providence brothers who accompanied us in the Eucharistic celebrations and with their presence during the days devoted to the guests. Thanks to the responsible and to all the friends of the Orionine Secular Institute (ISO), of the Orionine Lay Movement (MLO); to the lay people involved during the works and those (collaborators, volunteers, friends) scattered all over the world.

We were "all together" on May 26 at the meeting with Pope Francis. An unforgettable moment in which the Holy Father has "enlightened" with his words the journey and the work of the Little Missionary Sisters of Charity for the coming years:

"The missionary is required to be a bold and creative person... This requires a special look at the recipients of the mission and at reality itself: the look of Jesus, which is the look of the Good Shepherd; a glance that does not judge, but searches the presence of the Lord in history. It is also a close look able to contemplate, to feel moved and to stay with the other as often as necessary; a deep look of faith; a respectful look, full of compassion, healing, free and comforting. This special look will make you brave and creative and will help you to always search for new ways to bring the Good News that is Christ to everyone".

The Chapter is over, and now with a "special look", all together, let's begin again the "mission" that has been entrusted to us.
