

San Luigi Orione

Father, Son and Holy Spirit,
we adore you and we thank you
for the great charity that you poured
into the heart of Saint Luigi Orione.
and for having given us in him
an apostle of charity, father of the poor
and a benefactor of all the suffering and outcast.
Grant that we may imitate the ardent and
generous love,
which Saint Luigi showed to you,
to Our Blessed Lady, to the Church,
to the Pope and to all in affliction.
Through his merits and intercession,
grant us the grace we pray for
so that we may experience your Divine
Providence.

Amen.
